## EDUCATION

---

### THE UNIVERSITY OF TOLEDO, OH

May 2020

Bachelor's of Fine Art, Minor in Biology

## CURRICULAR & EXTRACURRICULAR PROJECTS

---

### PRODUCT ILLUSTRATOR

2019

Medical Stroke Restraint, Omega Headrest | Toledo, OH

- Designed physical collateral, infographics, and presentation materials for research-related symposium events.
- Engaged with medical personnel and stroke patients; used feedback in iterative development of prototypes.
- Devised traditional drawings and sketches to aid CAD operators for the design process.

### LEAD ARTIST

2018–2019

Biodesign Challenge, Apigiene Hive | Toledo, OH

- Communicated peer research by providing graphics for web-based applications, infographics, and presentations.
- Utilized feedback from professionals to aid in prototyping; illustrated the narrative behind our design philosophy.

## WORK EXPERIENCE

---

### GRAPHIC DESIGNER

2020–2021

Toledo Northwestern Ohio Food Bank | Toledo, OH

- Oversaw and directed all visual communication work to ensure the integrity of the Food Bank's brand.
- Created and maintained graphic content on social media to increase donor, volunteer, and community engagement.
- Developed cohesive branding guidelines to build a stronger identity and presence online.

### PRINT CENTER TECHNICIAN

2019–2020

Art Print Center | Toledo, OH

- Operated large format printing and finishing equipment; prepared files for printing and made corrections if needed.

## INTERNSHIP EXPERIENCE

---

### GRAPHIC DESIGN & VIDEO EDITING CO-OP

2019

The Ariel Corporation | Mount Vernon, OH

- Tactfully used professional lighting and photography equipment to make high-quality images of tools and machinery.
- Actively participated in pitch meetings, critiques, and reviews to ensure graphics adhered to company guidelines.

### GRAPHIC DESIGN INTERNSHIP

2019–2020

SD Bullion | Sylvania, OH

- Created coin designs and prepared files for the minting process; designed graphics for web-based applications.

## CREATIVE PROFICIENCIES

---

Adobe Creative Suite (Illustrator, Photoshop, InDesign, After Effects, Premiere Pro), Traditional and Digital Illustration, Multidisciplinary Collaboration, Cross-platform Design, Web Development (HTML/CSS/Javascript/SEO), Print Production
